

SPORTS CODE OF CONDUCT FOR PREMIER PLAYERS

At Rosmini College we believe that participating in sport at any level is a privilege, not a right. All students who represent the school in a premier team are expected to uphold the school's rules and values with the highest of standards.

As a Premier Player I will:

- Abide by the school's rules and values at all times
- Continue to follow the ***Rosmini Sport Code of Conduct***
- Respect the policies and decisions made by the coach and school
- Play by the rules of the game at all times
- Attend and be punctual to all team meetings, practices, and fixtures
- Notify the coach of any unavailability at least one week prior to the playing date
- Remain committed to the team for the duration of the season; regardless of playing time and/or injury – continue to support the team in any capacity
- Wear appropriate team apparel at all times
- Care for and respect the equipment and facilities
- Pay, in full, by the required date, all associate sports fees
- Attend school with a positive attitude and show a committed effort toward academic achievement
- Maintain 85% attendance in school across the year

Guidelines:

- All participants must satisfy the requirements of the ***Sports Code of Conduct for Premier Players*** and ***Rosmini Sport Code of Conduct***.
- Coach/manager/TIC has the authority to deal with, using reasonable means, players who are deemed to have committed a minor breach of their roles and responsibilities.
- Any major breach or inappropriate behaviour that occurs outside the school or causes harm to another individual falls outside the coaches/managers jurisdiction; the sports office will be notified of the offence.

Procedure:

If the player continually breaches the Sports Code of Conduct for Premier Players or commits an offence that falls outside the coach/manager jurisdiction, the coach will:

- Approach the offending student to resolve the issue and inform the player that the behaviour is inappropriate and that the school will be notified of the incident.
- In the case of the offence occurring during a tournament, the student's parents can be notified and requested to come and remove the student from the competition. In the case a parent cannot be contacted the student may be sent home at the expense of the parent.
- All transgressions that occur on the field of play and/or close proximity of playing areas will be dealt with by the sports director and the headmaster accordingly.
- 85% attendance does not include justified absences such as medical or bereavement.
- A member of the Senior Leadership Team will monitor the attendance of premier players on a weekly basis. If their attendance is below 85% without justification, the sports director will be informed; and in turn notify the relevant coach that the player will not be available for selection for that game week.
- A player will not be considered for selection until their attendance has reached 85% or more.
- The headmaster has the discretion to waiver player eligibility in individual cases due to special circumstances.
