## INTERNATIONAL STUDENT BASKETBALL OPPORTUNITIES

We would like to offer an opportunity for International students to apply to attend one of New Zealand's most prestigious Basketball schools. This opportunity would include an involvement in the school's extremely successful basketball programme.

Rosmini College has a strong tradition in high school basketball. Over the past decade, our basketball programme has experienced remarkable growth, reaching record participation levels in 2025.

The school's top Premier team has developed a dedicated following, attracting enthusiastic crowds both at home and away.

Our highly sought-after expert coaching staff deliver a well-structured and successful programme, guiding players from Intermediates (Year 7-8) through Juniors (Year 9-10) and Seniors (Year 11-13), ultimately leading to the prestigious Premier team.

Rosmini is recognised as a leading destination for basketball in New Zealand.

Over the past 8 years, Rosmini College has won two NZ Secondary School National titles, two runner up placings, and a credible 3rd place in 2024. Along with this, they have consistently been in the top two at both Regionals and Auckland Premier Championships.

As a student, Basketball is able to be played by all students at Rosmini College, no matter the age, height, or ability.

Please turn over for our school's notable Basketball accomplishments, and for details on our exceptional development and playing opportunities at Rosmini College.

**SUNNY JOHNSON NAIR**  
Malaysia

*Sunny joined Rosmini College as an International student from Malaysia in 2020.*

*He had a real love for Basketball, and played in various teams before making his debut in the school's top Premier team in 2023. He played in the Premier team for two years, 2nd in the Auckland league in both 2023 and 2024, a 1st and 2nd at Regionals, and 3rd at Nationals in 2024.*

*Sunny brought another cultural perspective to the team, allowing players to grow in their perspectives of others, and gain understanding of a wider world view.*
