

Our Young Prizewinners

This year, the dedication and talent of our Junior and Intermediate international students were brightly showcased at our annual awards ceremony. Their achievements, spanning academic excellence, commitment to learning, and linguistic determination, truly reflect their hard work and the nurturing environment provided by our school and teachers.

Commitment to Learning Certificates

A significant number of students were recognized for their outstanding commitment to learning, demonstrating effort, perseverance, and a positive attitude toward their studies. This award celebrates the essential qualities that underpin long-term academic success.

- **Taeyun Oh** (Year 8)
- **Max Chen** (Year 9)
- **John Guo** (Year 10)
- **Minkyu Lee** (Year 10)
- **SeungMin Lee** (Year 10)
- **Yuki Okamoto** (Year 10)

Academic Excellence Certificates

The Academic Excellence Certificates honor students who achieved exceptional performance across multiple subjects. These students mastered a demanding workload, consistently earning high grades and demonstrating a deep understanding of their curriculum.

- **Taeyun Oh** (Year 8): Taeyun excelled across a remarkable six subject areas, earning certificates in Digital Technology and Engineering (DTE), English for Academic Purposes (EAP), Mathematics (MAT), Music (MUS), Science (SCI), and Junior Social Studies (JSS). This breadth of achievement highlights an exceptional talent and dedication across the arts, sciences, and core academic subjects.
- **Max Chen** (Year 9): Max also demonstrated strong academic prowess, achieving excellence in three diverse areas: Materials Technology and Engineering (MTE), Mathematics (MAT), and Religious Education (RED).

Special Recognition: The Junior ESOL Cup

A particularly meaningful award, the Junior ESOL Cup, was presented to two deserving students for their inspiring effort and determination in mastering the English language. Learning in a second language is a significant challenge, and this cup celebrates their resilience and rapid progress.

- **SeungMin Lee** and **Yiting Huo** were jointly awarded the Junior ESOL Cup for their outstanding effort and determination in learning English. Their success is a testament to the fact that passion and hard work can overcome linguistic barriers, setting them up for success in their senior years.
