

International Excellence Recognized at the Annual School Prizegiving

Rosmini College's 2025 Academic Prizegiving on Wednesday 29 October celebrated the commitment and academic excellence of our senior students. This included a number of our International Students (IS) and International Student Ambassadors (ISA).

The event featured fantastic performances by the Kapa Haka group, Chamber Choir, Orchestra, and a solo by Karl Castro. Head Boy Joseph Wolfkamp delivered a heartwarming speech, and Benji Bryce led the school prayer in Te Reo.

Like last year, the 2025 Dux could not be named, with a number of students achieving excellence. The school will announce the Dux and Proxime Accessit after final exam results are in.

Further to the awards, they also announced Head Boy for 2026, with our new ISA Max Barry getting the honour! We are also blessed to have our ISA Kane Te Whiu named in the top 8 prefects, as our Māori Leader. Congratulations to these young men!

We are very proud of the incredible achievements of our International students and Ambassadors, with the following Seniors being recognized for their excellence for 2025:
