Refund Conditions

Please be advised that once tuition fees are paid, there is no automatic entitlement to a refund. If a student wishes to withdraw from a course, they must submit a written application for a refund to the Headmaster, clearly stating the reason for their withdrawal.

If the applicant has not yet commenced their course, a refund may be granted, subject to the following conditions:

- **Non-Refundable Fees:** If a student changes their mind before the term start date, or after a homestay placement has been completed, the Administration Fee (\$2,750.00) and the Homestay Support Fee are strictly non-refundable.
- **Notice Period:** Once a homestay placement is confirmed, a two-week notice requirement applies to any cancellation or withdrawal.

Refund Policy

In accordance with the full Refund Policy included in the Contract of Enrolment, tuition fees are strictly non-refundable under the following conditions:

- **Change of Intent:** If a student chooses to withdraw due to personal lifestyle changes, a desire to transfer to another school, or a change in personal preference.
- **Course Commencement:** Once the student has attended the first class or the official term date has passed.
- **Disciplinary Dismissal or Breach:** If a student is expelled, required to leave the school, or has their enrollment terminated due to misconduct or a breach of the enrollment agreement/contract, no refund will be issued.
- **Immigration Status:** In the event that an applicant experiences a change in immigration status once the course has commenced, no refund will be made, even if a student's parents' visa status has changed.

Visa Status

Students must provide their updated visa status to be considered for enrolment in the following year.

Fee Adjustments

Fees at Rosmini College are subject to change and are periodically reviewed by the Rosmini College Board.
